16 RESIDENT COMMUNICATION

BUT, Managing Society is not easy

Common Resident Problems

THE PROBLEM:

Managing a society is complex and time-consuming.

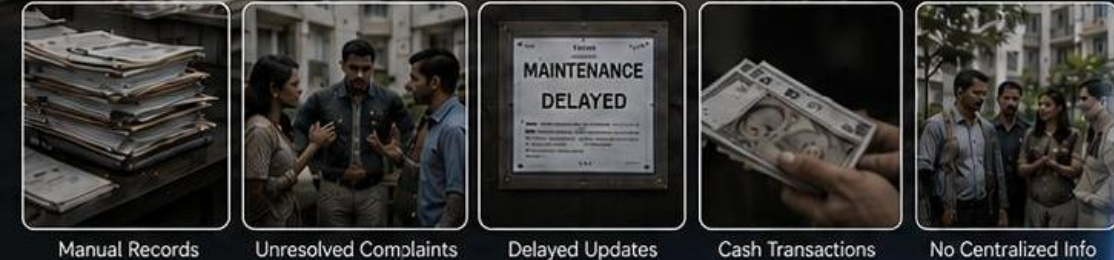

THE SOLUTION:

Smart Society Management
Simpler. Smarter. Better Together.

- Instant Notifications**
Stay updated in real-time about important activity.
- Easy Payments**
Pay maintenance and other dues securely.
- Raise Complaints**
Lodge complaints and track resolution.
- Resident Engagement**
Better communication and stronger community.
- Secure & Smart Access**
Visitor management with QR & digital entry.
- Automated Records**
All records in one place, accessible anytime.
- Automated Notice**
Send important notices instantly.

Residents Directory
Connect with residents easily.

Security Management
Manage guards, logs and security incidents.

Amenity Booking
Book common amenities hassle-free.

Accounts & Billing
Transparent billing and account management.

Mobile App Access
Manage your society on the go.

WE HAVE A SOLUTION FOR YOUR PROBLEMS!

Amaan Nest is an all-in-one Smart Society Management System designed to simplify daily operations, improve communication, and bring transparency to your society.

Our Solution. Your Peace of Mind.

Centralized Communication

Instant announcements and notifications keep everyone informed.

Easy Visitor Management

Pre-register, approve, and track visitors for a safer community.

Seamless Payment Collection

Collect dues, maintenance, and other payments online with ease.

Efficient Maintenance Handling

Raise requests, assign tasks, and track progress until resolved.

Document Management

Store and access important society documents anytime, anywhere.

Real-time Insights & Reports

Get powerful reports and analytics to make better decisions.

Community Engagement

Polls, events, and amenities booking to build a connected community.

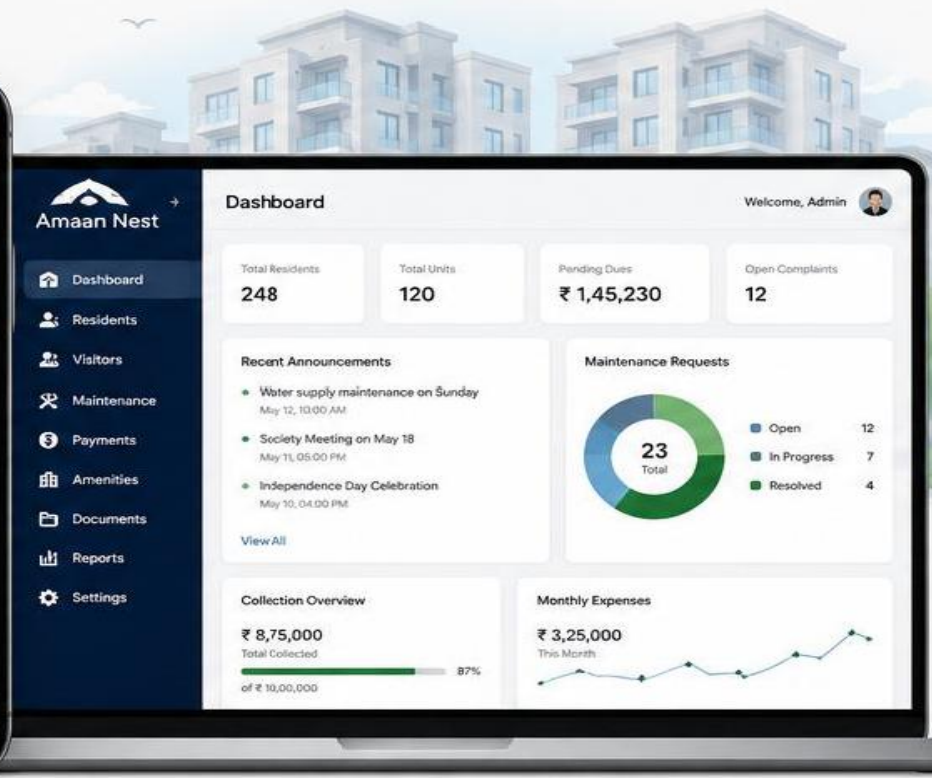

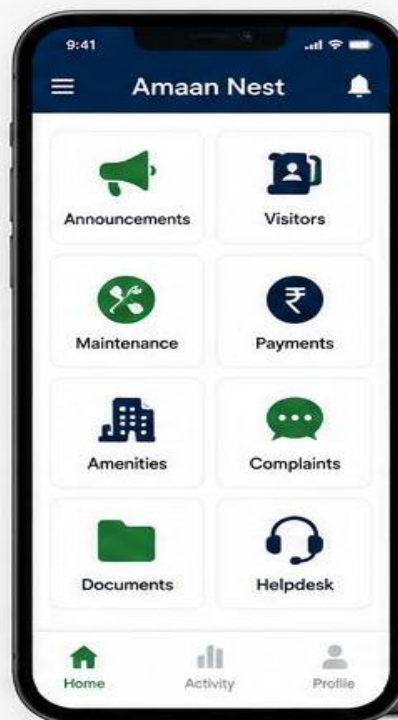

Helpdesk Support

Raise complaints and get quicker resolutions through our helpdesk.

PAYMENT BEHAVIOUR – SMART COLOR CODING

Automatic Tracking. Easy Identification. Better Collection.

GREEN – ON-TIME PAYER

- ✓ Resident pays regularly on or before the due date.
- ✓ Payment history is clean and consistent.
- ✓ Green flat/resident icon shows reliable payment behaviour.

Indicates reliable and responsible payment behaviour.

YELLOW – DELAYED PAYER

- ✓ Resident makes payments but frequently after the due date.
- ✓ Pending or delayed payments are automatically tracked by the system.
- ✓ Yellow flat/resident icon indicates attention required.

Attention required.
Timely reminders recommended.

RED – LONG OVERDUE (90+ DAYS)

- ✓ If payment remains 90+ days overdue, resident automatically moves to Red category.
- ✓ Flat/resident icon turns Red for quick identification.
- ✓ Helps admin take immediate action and send overdue reminders.

Immediate action required.
Follow up and collect faster.

SMART AUTOMATION FLOW

1. PAYMENT STATUS

Payment is made or due date is passed.

2. AUTOMATIC TRACKING

System automatically monitors and tracks payment behaviour.

3. COLOR CATEGORY

Resident is categorized as Green / Yellow / Red based on payment behaviour.

4. QUICK IDENTIFICATION

Easy visual identification of residents for better decision making.

5. ADMIN ACTION

Admin takes action, sends reminders and follows up for better collections.

KEY BENEFITS

Better Payment Discipline

Reduced Overdue
